

COPEC RALLY CHILE 2019

Date: 08.05.2019

Time: 11:00 hrs (UTC-4)

Subject: STEWARDS DECISION NO. 1

Document No: 2.2

To: The Competitor of car No. 43 KAJETAN KAJETANOWICZ
Crew KAJETAN KAJETANOWICZ / MACIEJ SZCZEPANIAK

The Stewards, having noted that the above Competitor has entered COPEC RALLY CHILE 2019 as a rally to score points for the 2019 FIA WRC2 Championship, having received via the Clerk of the Course a request from the above Competitor to consider their non-participation in this rally as a case of *force majeure*, have considered the following matter and determine the following:

Facts In 2019 Xion Rally Argentina, which took place two weeks before 2019 Copec Rally Chile, the above crew had an accident in which their car was badly damaged. This damage cannot be repaired in Argentina or Chile and there is not enough time to bring a new car to Chile.

Decision Under Article 8.3.2 of the 2019 FIA WRC Sporting Regulations, the Stewards accept this non-participation of the Competitor as a case of *force majeure* for this rally and therefore COPEC RALLY CHILE 2019 not to be considered as one of the rallies entered by the Competitor to score points in the 2019 FIA WRC2 Championship.

Reason The Stewards accept that, due to the remote location from the team's base in Europe and the short time between the two successive rallies, it is not possible for the competitor to repair the car on the ground or to organise a replacement vehicle. Under the given circumstances and the facts established, they grant a case of *force majeure*.

The right to appeal this Decision is stipulated in the 2019 FIA International Sporting Code and in the 2019 FIA Judicial and Disciplinary Rules.
