Subject:	STEWARDS DECISION NO. 2	Document No:	2.3
To:	The Competitor DIEGO PEREZ of car No. 82 Crew DIEGO PEREZ / PABLO PEREZ		

The Stewards, having received a report from the Clerk of the Course with documentary evidence attached, summoned the above crew members as well as a competitor's representative have considered the following matter and determine the following:

Facts Failure by the crew addressed above to activate the OK display on the FIA Safety tracking device within one minute after stopping on special stage 3 on 10 May 2019 at 13:15 hrs.

Offence Breach of Art. 40.3.3 of the 2019 FIA WRC Sporting Regulations

Decision Having considered that Mr. Perez is a *non-priority driver*, the Driver and the Co-driver shall be jointly and severally liable to pay a **fine of € 250**.

Reason The crew was informed accordingly by the Stewards and was given the possibility, if they wished, to bring forward any representations other than having forgotten to push the button within one minute in the heat of the moment.
The co-driver Pablo Perez appeared in front of the Stewards on 10 May 2019 at 17:30 hrs.
The co-driver stated that, after they had stopped (they were the last car in the field), he went out of the car to speak with the people around to see if they could park their car at this place. His driver, having heard the siren of the sweeper car which had stopped for another car not far away, proceeded to the special stage road to hand over their time card to the sweeper car upon arrival and to inform him that they were OK. It was then only when the co-driver came back to their car that he remembered to press the OK button, which was after the one-minute deadline stipulated in the regulations.
The Stewards nevertheless consider that the crew was in infringement of WRC Art. 40.3.3.

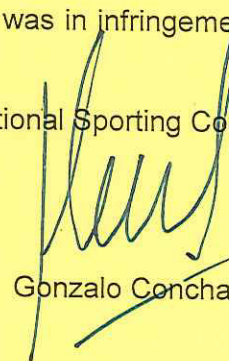

The right to appeal this Decision is stipulated in the 2019 FIA International Sporting Code and in the 2019 FIA Judicial and Disciplinary Rules.
