

STAGE FLASH

Date: Friday, May 10th
Day: 1 **Flash N°:** 6
Special stage: Concepción - Bicentenario **Distance:** 2.20 km
Weather: Dry and dark, 12°C
Road conditions: Dry tarmac with a man-made jump with short gravel section

Car 1. OGIER/INGRASSIA

"It has been a challenging day but we are here. Ott was very fast and we could not match his speed. We will keep trying tomorrow."

Car 2. SUNINEN/SALMINEN

"We have been lacking a bit of confidence. I had to reverse on the last stage on a barrier. It was not good for us."

Car 4. LAPPI/FERM

"I wanted to do more. It started to get better this afternoon. It's a new day tomorrow."

Car 5. MEEKE/MARSHALL

"I struggled with confidence this morning. I could not get in to it. I was hesitating in the stages. We will get there."

Car 8. TÄNAK/JARVEOJA

"Lunchtime the engineers did a good job with the car and the feeling improved and the confidence is there. It will not be easy tomorrow. We keep focused and hopefully we can keep our rhythm."

Car 10. LATVALA/ANTTILA

"I was disappointed with myself on the final gravel stage. Now Thierry was strong on this stage. I tried my best. I want to be good at these super specials one day. It's getting better."

Car 11. NEUVILLE/GILSOUL

"I tried to push to catch back my third position. It was a little dusty on the last part and I might have lost a bit of traction there."

Car 19. LOEB/ELENA

Fastest time – "We enjoy to do doughnuts some times. This car is like a video game. You can play with it."

Car 33. EVANS/MARTIN

“Overall it has not been terrible. Just disappointed with that one stage where we gave so much time away.”

Car 89. MIKKELSEN/JAEGER

“I need to have some sleep, reset a bit and come back from scratch. I am sure we will be stronger tomorrow.”

Car 45. HELLER./MARTI

The Chilean’s car has been repaired after his first stage crash by a combination of M-Sport and Joker Team mechanics and the local driver will restart under Rally 2 on Saturday.

Car 91. QUEZADA/ROSAS

Stopped in SS4.

Car 93. NUÑEZ/DE GAVARDO
